How we calculate your balance: We use a method called "daily balance (including new purchases)."

You may not qualify for the lowest APRs disclosed above. We will, in our discretion, periodically determine your APR by reviewing your credit report, information you provide on your application, and other relevant information available to us.

How we will calculate your variable APRs: This paragraph applies only if you are issued a Low-Rate Credit Card, Wolverine Low-Rate Credit Card, or Business Low-Rate Credit Card. Your APR for said products is subject to change and will be calculated each calendar month by adding a "margin" to the U.S. Prime Rate in the Wall Street Journal on the 15th day of the previous month. The margin for purchase balances is: 3.50% to 10.00% for the Low-Rate Credit Card, the Wolverine Low-Rate Credit Card, and the Business Low-Rate Credit Card. If the U.S. Prime Rate is not in the Wall Street Journal on the 15th of any given month, we will use the U.S. Prime Rate on the next business day. If the U.S. Prime Rate Index is discontinued or becomes unreliable for any reason, whether temporarily or permanently, we may select a substitute index that in our sole discretion is similar to the U.S. Prime Rate.

How we will calculate your minimum monthly payment: We will calculate your minimum monthly payment as: (1) any past-due amounts; PLUS (2) any fees we have billed you on the periodic statement; PLUS (3) any amount that exceeds your credit limit; PLUS (4) the larger of: (a) \$25 (or total amount you owe if less than \$25); or (b) 2.5% of the new balance. We may increase or otherwise change your minimum monthly payment by providing 45-days of advance notice and you agree to pay the new minimum monthly payment if we make any change.

Billing Rights: Information on your rights to dispute transactions and how to dispute transactions is provided in your credit card account agreement.

Notice to Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

Notice to Wisconsin Residents: If you are a Wisconsin resident and married, by submitting your credit card application you are confirming that this credit card obligation is being incurred in the interest of your marriage and your family. No provision of any marital property agreement (pre-marital agreement), unilateral statement under 766.59 of the Wisconsin Statutes, or a court decree under 766.70 adversely affects the interest of the creditor unless the creditor, prior to the time the credit is granted, is furnished a copy of the agreement, statement or decrees or has actual knowledge of the adverse provision. If the credit card for which you are applying is granted, you will notify the Bank if you have a spouse who needs to receive notification that credit has been extended to you.
